Joonhyung Shin

Department of Mathematical Sciences
KAIST (Korea Advanced Institute of Science and Technology)
tonyshin@kaist.ac.kr

Education

- B.S., Korea Advanced Institute of Science and Technology (GPA 4.18/4.30)   2015 ∼
    - Department of Mathematical Sciences
    - Double Major in School of Computing
- 2017 Summer Session C 8 weeks, University of California, Berkeley   2017 ∼ 2017
- Sejong Science High School   2013 ∼ 2015

Awards & Honors

- Simon Marais Mathematics Competition
    - 9th Place (2018)
- Dean's List
    - Department of Mathematical Sciences (Spring 2018, Fall 2017)
    - College of Natural Science (2018)
    - Freshman (Fall 2015, Spring 2015)
- Samsung Collegiate Programming Cup
    - Fifth Place Award (2018)
    - Fifth Place Award (2017)
- KAIST Math Problem of the Week
    - First Prize (2016 Fall)
    - Third Prize (2015 Fall)
- KAIST Presidential Fellowship (2016 ∼)
- ACM International Collegiate Programming Contest Daejeon Regional
    - 14th Place (2016)
    - 13th Place (2017)
- National Undergraduate Mathematical Competition, Korean Mathematical Society
    - Silver Award (2017)
    - Gold Award (2015)
- Presidential Scholarship of Science, Korea Student Aid Foundation (2015)

- Korean Mathematical Olympiad
  - Silver Prize (2014)
  - Excellence Prize (Final KMO, 2013)
- Samsung Software Membership (2017 ∼)

Work Experience

- Data Scientist, Hyperconnect (2018 ∼ 2020)

Activities & Experiences

- Teaching Assistant for Korea Mathematical Olympiad Summer School Program (2018)

- Undergraduate Teaching Assistant for CS330 (Spring 2018)

- KAIST Undergraduate Mathematics Colloquium Head Organizer (Fall 2017, Spring 2018)

- Undergraduate Teaching Assistant for CS101 (Fall 2017)

- Teaching Assistant for Korea Mathematical Olympiad Winter School Program (2017)

Skills

- Computer Programming: C/C++, Java, Python, SQL, HTML, Javascript, Matlab

- Others: LaTeX
